All of the VET TEC approved Intellectual Point programs and pathways can now be attended virtually. We not only provide you an immersive collaborative learning experience online, but we also provide you virtually all the necessary tools and resources such as quiz portal access, simulations, virtual labs, etc. to successfully pass your certification tests. Our virtual remote classes have been very popular and provide the same rich learning experience as the physical classroom.

Welcome to Intellectual Point. We are so happy you are taking the best steps to further your career and we are here to support you. Please view our classes and reach out with any questions. We have great success stories that we are so proud of and we want you to be the next one. As you learn with Intellectual Point, we are committed to helping you along every step of the way. Our courses provide hands-on training, we offer extra review sessions for exams and once you become certified with us, we are committed to helping you continue to achieve your career goals with expert resume consultation and connections to hundreds of area recruiters and hiring managers. We can't wait to help you start your new career journey!

## Connect With Us!

**Don't miss out on our weekly newsletter**
